## A Hilarious Conversation Between Two Famous 21st Century Celebrities

<b>Elon Musk:</b>	Hey Mark, have you seen this free trademark assignment agreement template I found online?
<b>Mark Zuckerberg:</b>	Oh, hey Elon! No, I haven't. What's that for?
<b>Elon Musk:</b>	Well, I needed to demand legal advice for my latest project and came across this template. It might come in handy for future ventures!
<b>Mark Zuckerberg:</b>	That's interesting! Speaking of legal matters, did you know mini trucks are street legal in Iowa? I wonder if we should consider using them for our companies.
<b>Elon Musk:</b>	Haha, I never thought about that! But before we proceed, do you know what documents are needed for tax preparation? We don't want to get into trouble with the IRS!
<b>Mark Zuckerberg:</b>	Good point! I'll have my team look into it. By the way, have you ever been to South Africa? I heard they have an AIDS Law Project to provide legal support for HIV/AIDS issues.

<b>Elon Musk:</b>	No, I haven't been there yet. But if we're talking about legal support, do you know how to petition the court for a name change? I might need it if I decide to legally change my name in the future! Maybe something like "Rocketman"?
<b>Mark Zuckerberg:</b>	Haha, that would be quite the change! But before you do that, make sure to understand GST invoice payment rules to avoid any surprises!
<b>Elon Musk:</b>	Thanks for the tip, Mark! I'll keep that in mind. Always a pleasure discussing legal matters with you, my friend!
