

# Famous 21st Century Dialog: Legal Matters Discussion

Speaker 1	Speaker 2
Hey there! Have you heard about the legal definition of defence in court cases?	Of course! It's essential to understand the stages of a case in court to prepare the best defense.
Speaking of legal matters, what's your take on religious vs. legal marriage?	It's an interesting concept. You can get married religiously, but not legally according to Canadian law.
That brings us to the requirements of a contract. It's crucial to have a clear agreement.	Absolutely. Understanding the law of torts is also essential to avoid legal issues.
I agree. Especially when it comes to contract bonds. It's crucial for various agreements.	And don't forget about family law matters. It's always good to have expert legal aid.
